## A BLESSING FOR FATHERS

**W**e bless you and we praise you, God of our fathers!

You are the God of Adam, father of the human family.

You are the God of Abraham, our father in faith

who was ready and willing to give up everything to be faithful to you.

You are the God of Isaac, who was born of laughter and old age,

and the God of Jacob, whose clever trick gained an inheritance for twelve tribes of sons and daughters.

You are the God of Jesse, from whose loins a nation sprang,

a sturdy family tree of monarchs, prophets and priests.

You are the God and Father of Israel, your child whom you love

with all your heart.

You are the God of Zechariah, who fathered the Baptist and taught him the Torah,

and of Joachim, the grandfather of Jesus.

You are the God of Joseph, who loved and raised Jesus as his own.

You are the God and Father of Jesus, and our Father in heaven, too:

Holy is your Name!

We thank you, God, for the gift of our fathers,

for grandfathers and godfathers and fathers-in-law, too.

Send your Holy Spirit upon our fathers,

in whose laps we were cradled, on whose knees we were bounced,

by whose hands we were fed, instructed, at times corrected,

in whose company we learned to work and play and pray, at whose side we hear your word and celebrate your mysteries.

Heal their pains and disappointments.

Forgive all that needs to be forgiven.

Give to them the good that they have given others.

Welcome into your arms those who have died.

Fill this world, O God, with a father's love!

We ask this your Son Jesus Christ, who taught us to pray to you as Abba.

He lives and reigns with you and the Holy Spirit,

who is Father of the poor, one God forever and ever. Amen.

WHAT YOU SHOULD KNOW**

**STROKE RISK FACTORS:  
WHAT YOU CAN CONTROL**

Some of the biggest risk factors for stroke are things that you do have control over.

Health Conditions: if you have conditions like high blood pressure, high cholesterol, diabetes, heart disease or atherosclerosis, do everything possible to keep them well controlled to reduce your risk of stroke. For instance, medication, diet and exercise can really help you manage high blood pressure and high cholesterol and some of the other conditions.

Your Diet: Filling up on unhealthy foods that are high in fat, calories, and sodium can contribute to high cholesterol and high blood pressure-and to an increased risk of stroke. Switching to a heart-healthy diet can quickly bring results.

Being Sedentary: If you're not getting up and moving around enough, and not getting regular activity most days of the week, you're putting yourself at a greater risk for stroke, as well as for a whole host of other health conditions. Get moving!

Obesity: If you're overweight, you are increasing your risk of stroke. And if you are a woman past menopause, keep an eye on your waistline-a measurement over 35 inches puts you at higher risk.

Smoking: Cigarettes cause damage to your cardiovascular system that can increase your stroke risk. Quit now.

### Catholic Campus Ministry

CCM is an outreach ministry of Christ the King. CCM is open to all students. We offer the opportunity to explore, question, and renew your faith. CCM offers events throughout the school year for students including the following:

**UNITE-** held on Tuesday evenings during the school year and incorporates prayer, dinner, and fun activities. UNITE is a great way to meet people and gain exposure to the Newman Center.

**Retreats-** CCM offers two opportunities to participate in SEARCH. SEARCH is usually held in the fall and spring semesters.

Do you have a knack for creating **HOMEMADE PIES?**

Here is an opportunity to be generous, creative, and to support **CAMP-MAKE- A- DREAM** as well!

**RATPOD** is a one-day bicycle ride fundraiser through the Big Hole valley. Riders are encouraged to raise donations for the camp and bring them to the event. There will be food stops along the ride and pie will be served there.

You will be participating and supporting this benefit by feeding riders who raise the donations.

Pies are needed on June 26th.  
Please call the Parish Office to donate

Brought to You By Sr. Doris...

### **DISCIPLE**

Becoming Disciples through Bible Study

**DISCIPLE** invited people to participate in small groups to study the Scripture in depth and breath, and to share their faith journey with one another.

**DISCIPLE**-explores the human encounter with God throughout the entire Old and New Testament.

**DISCIPLE**-is especially suited for those who have never really read the Bible, are unsure about what the Bible says and who want to learn with others in an open, nonjudgmental atmosphere. It is based on contemporary Biblical scholarship, but focuses on the Bible as a living document for own lives.

**DISCIPLE**-does wonders for those of us who don't like -or simply don't "get"-the Old Testament, by exploring the seamless story of God's love for humans which unites the Hebrew and Christian Bible.

This class encourages honesty and questions, and honors doubts and different points of view. Each **DISCIPLE** group has 12 members committed to support each other in study, community, and prayer throughout the year. Is the Spirit calling you into a deeper relationship with God and other seekers? **DISCIPLE** will begin in September. Call Sr. Doris for more information.

### **RCIA-Becoming Catholic**

Our Catholic faith is a gift to be shared. Do you have a friend or relative waiting for your invitation to inquire about that gift? Your invitation could make the difference in that person's life.

The first part of the faith journey is called Inquiry, a time to seek, question and become familiar with the faith community.

Those interested will meet monthly through the summer, beginning June 22 at 7:00PM.
