

Campaign Newsletter

† *Embracing Our Mission:* *Living the Light* †

October 3/4
Vol. 7

Thank You, Thank You, Thank You!

Last weekend, we had a response from 87 families toward our *Embracing Our Mission: Living the Light* Campaign. **This week our parish has reached the \$500,000 dollar mark!** We are grateful for all gifts and pledges that have been given by our generous donating families. But... we still have a long way to go!

The response to this Campaign has been good. We have 50% of goal from 25% of the parish. If you have not already responded, **WE STILL NEED YOUR HELP!** Please consider what you can do to support this endeavor. Together we can be successful. Remember, this campaign asks for *equal sacrifice, not equal giving*. Gifts of all sizes are appreciated and greatly needed for this campaign to be successful.

We need the commitments of ALL families registered in our parish in order to reach our goal. The participation of our entire Christ the King parish family will lead us to success! Our future begins now...

**YOU CAN MAKE A DIFFERENCE!
PLEASE MAKE YOUR COMMITMENT
TODAY.**

VISITATION BEGINS!!

Thank you once again to the volunteers who have shared and are sharing the parish dream with fellow parishioners. Over \$65,000 was generated through the phone calls done just this past week. Thanks for giving your time and talent; it is helping in more than just dollars, but in the intangible results.

One of the stories sharing the intangible benefits of this building is that a UM student is able to make the SEARCH retreat later this month. What makes this special is that she is totally confined to her wheelchair due to cerebral palsy.

Another intangible is the number of UM students who have graduated and now working for social justice throughout the United States and world. The students credit Christ the King Parish for their initial call toward sharing God's Kingdom.

The Christ the King Campaign Volunteers have begun visiting this week. Visiting volunteers were assigned to make 60 contacts this past week to those who did NOT attend a reception nor return their pledge cards. Please welcome them in to your home as you would Fr. Jeff.

If you have any questions about our Campaign, would like to pledge, or if you would like to volunteer, please call the Campaign Director, Laura Hunter @ 728-3845.

Thank you to all the families who have responded to our Embracing the Mission: Living the Light Campaign
