Updates

CCM-Guatemala

Fr. Jeff provided an overview of the student's trip to Guatemala. He said the trip went very well and that student's had a great opportunity to be immersed in another culture. Fr. Jeff gave a brief history of the mission and that they hope to take another group in three years.

Capital Campaign Update

Fr. Jeff provided a brief overview for the new council members on the capital campaign and provided an update for everyone. He states that we have verbally agreed to hire Guidance in Giving to consult.

Old Business

- 1. Goodbye to Council Members-** Discussion on what to do for the members who just completed their term as council members as a thank you for their service.
Suggestions included: a gift that was made in Guatemala such as a table cloth, a blessing at Liturgy. Richard will contact Bill, Cheryl and Valerie about their availability.
- 2. Introduction of New Members.** Welcomed the new members: Trina Murphy, Jamie Lockman and Ken Smith. Introductions were done.
- 3. Parish Survey-** Discussed the results of the parish survey and that we only have the preliminary results. Next step: Listening sessions.
- 4. Listening Sessions:** Reviewed the notes from the meeting between Cathy, Steve and Christine regarding the listening sessions. Discussed the need to plan the listening sessions but also recognized the tight time frame we are under with the Capital Campaign starting in July or August. **The group came to a consensus that we will postpone the listening sessions until next winter.**

The group agreed that waiting until after the Capital Campaign starts would be better strategically because we can obtain parishioners commitment and then we can set up listening sessions to hear from them what they would like to see the parish do in expanding programs, meeting their needs, etc.

There was also discussion about hospitality and it was decided that we would invite the Stewardship council to the potluck in July and discuss ideas for hospitality. Fr. Jeff will invite the Stewardship committee.
